

“Lots of Fun! A Positive, Engaging Experience.” (United Way)

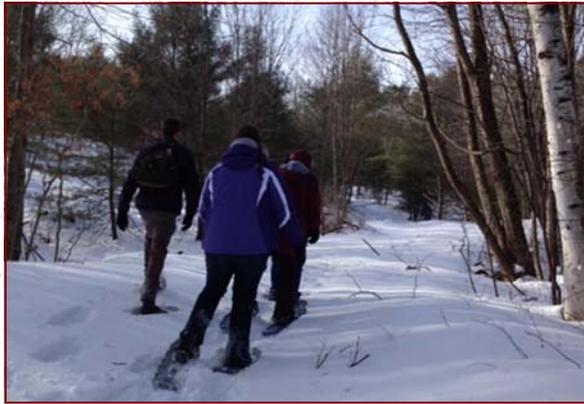

The TREE Center campus includes the state-of-the-art Wormwood Conference and Banquet Center ~ a large, fully equipped conference center where your team will have access to presentation technology, a full commercial kitchen and space to accommodate small or large groups up to 150.

The TREE Center’s lakefront resources provide 4-season access to indoor and outdoor facilities, allowing participants to enjoy a variety of activities including swimming, kayaking, boating, ice skating, and snow shoeing. These activities can be included in meeting the goals and objectives of your visit.

Our certified instructors focus on your team’s objectives, facilitating programs that address identified areas for improvement in communication, goal setting, team and trust building.

Using proven methods, we will custom tailor an experience that meets your goals and objectives while fostering an environment that stimulates growth and learning.

We look forward to speaking with you and learning more about your organization. If you are interested in learning more about TREE’s professional development programs or wish to schedule a visit, please contact our leadership Development Coordinator.

LEADERSHIP DEVELOPMENT

The Teambuilding, Recreation, and Environmental Education (TREE) Center offers a welcoming and inclusive environment for your group. In today's fast-paced dynamic climate, creating a team that innovates and works cooperatively to overcome challenges is a necessity. While most organizations strive to form a motivated team, getting there is sometimes a difficult process.

Ultimately we believe that teams that work together more efficiently and effectively will be leaders and innovators in their respective fields.

We will work with you to create and implement an innovative and comprehensive professional development program for your team that will nurture the very goals that your organization strives for .
